Cost Of Attendance (Budget) Evaluation
2014-2015

Priority Deadline*: April 15, 2014

*Forms received after the priority deadline will be processed in the order in which they are received after the start of fall classes. This will not delay the current fall financial aid award.

This form has been designed to allow you to provide information regarding your current Cost of Attendance (COA). The items listed below are included in the standard academic year COA used at the University of Arizona (Fall + Spring = 9 months). If the COA reported on your award notification does not appear to adequately meet your expenses, complete all of the sections below for educational costs incurred during the academic period you will attend. Keep in mind that the majority of Cost of Attendance Evaluations typically increase loan eligibility. Allow up to four weeks for processing. This time may vary depending on the time of the year and volume of requests our office receives. Failure to provide supporting documentation will delay processing.

Before submitting this form, please review your specific COA on your UAccess Student Center to ensure your listed expenses exceed your standard budget.
